### Reasons you'd better care about Trump's tariffs on steel and aluminum

If you live in Michigan—or any other state where things are made—there are several good reasons you should care about the new tariffs on steel and aluminum imposed by Mr. Trump.

1. As a consumer, it's a tax hike you will ultimately pay.

2. *You won't like another Great Depression. The 1929, Smoot-Hawley Tariff Act, is widely acknowledged as sparking the Great Depression.*

### Dreaming of a Tigers' Reprise

My friend offered me a evening of baseball. I protested saying, "Look, I've never attended a game. Baseball is just too boring."

"This isn't just any seat," he said. "It's a seat—*behind homeplate—at what will be the final game of the World Series.* And, the Tigers are going to win," he insisted.

The Tigers did win. And the game was out of this world exciting, too. -more-
